

Dear Law Enforcement Supporter,

The members of the Bakersfield Police Officers Association would like to thank you in advance for your interest in establishing a business link in our “Bakersfield Blue Pages” online directory.

The Bakersfield Police Officers Association (BPOA) is comprised of the 400 police officers of the Bakersfield Police Department. Our officers are sworn to the prevention of crime; the protection of life and property; and the preservation of public peace and enforcement of law.

The proceeds from this online fundraising campaign will assist officers and their families in the event of illness, injury while on duty, and unreimbursed medical costs.

We are excited to introduce this new way for you to show your support for the Bakersfield Police Officers Association. Our website platform will give you the unique opportunity to promote your business, help us with our cause, and be directly accessible to all of our members. You can even offer special discounts when people use your link or code. The benefits go beyond just the satisfaction of helping the BPOA with a contribution.

Your contribution is the key to our success and we want to thank you for considering us for sponsorship this year. Whether large or small, it is genuinely appreciated and needed.

Sincerely,  
*Ramon Chavez*  
President
